## **9:30 AM START**

**R/C Model Boat and Sub Fun Run**  
**Carmel, Indiana**  
**August 8<sup>th</sup> & 9<sup>th</sup> 2015**  
**Starting time 9:30AM**

- Bring a table for your models and a chair for yourself. Some tables will be provided. If you have something to sell, no fee for setting up a swap table. If you have a quick shade, you are welcome to bring it. Some quick shades will be provided by the Admirals.
- Entry fee is \$5 per boat. (ex. If you use a different boat for each of the three events, your entry fee is \$15, if you use the same boat for all three, \$5) Due to time restrictions, only one boat per event per contestant will be allowed. Display boats welcome. If you are just bringing a boat to free run, no entry fee required. Correct change is appreciated. Subcommittee members who have paid registrations for the subcommittee fun run can run in the scale event at no extra charge. All submersible boats must run the course with fully surfaced at all times.
- Awards will be given for first, second and third place on Sunday. If you are not there on Sunday, the award will be shipped to you. Raffle prizes will be available on both days.

**\_Scale Course- Three events will be planned (See rules and explanation of each event on our website [www.indyadmirals.org](http://www.indyadmirals.org) , click the Scale button, then Scale Regatta)**

- 1) precision steering
- 2) Predicted log
- 3) Straight running (other events may be added)

(Number of above events will be based on number of participants and time available)

- Guest boats- We will have a few of our Midwest Tugs available for kids to run. If you need a boat to run in the contest, you can use one of the club spectator tugs for the same \$5 entry fee. Free running will be available at all times. Our pond is huge, 29" deep and weed free (concrete bottom) If you have a large boat, we will have an electric boat launcher there for your convenience.

A separate courses will be set up for scale boats, and another for submarines. We will attempt to have reserved loading and unloading areas and have carts available for your use.

- **2.4ghz Radios are preferred for ease of running both on the course and free running otherwise free running will be restricted to available frequencies.**

- Excellent restroom facilities are at the pond site as well as several fast food places and shopping in the area, plus a farmer's market across the street.

**Site location: Carmel Indiana, 126th street west of Rangeline Rd, near the intersection of 3rd Ave and 126th St. 760 Third Avenue SW. Carmel ,Indiana 46032**
